vanKIDecture

making the vans of yesterday
into the buildings of tomorrow

CONTEST RULES

Age Categories: 0 - 6 year old 6+ - 12 year old 12+ - 16 year old 16+ and beyond

Recognition: All entries will be posted on our website. Winning entries will be featured in our next newsletter and will get international attention that will be incredible. We will also send you a small prize. And we mean small, but sweet.

Jury: This year's jury will be esteemed members of the architecture community and other people we can recruit who know a good idea when they see one.

Submission: Use the image below and either copy it or trace it, or take your own image. Draw on it or collage it or cut it up and make a 3-D model and photograph it (or use clay or papier mache or holograms!) we are open to how you do it.

The point is that we want you to illustrate to us how you would take a typical minivan and make it into a space to live in, work in or play in.. Build on it,, through it, inside of it, color it, deconstruct it, modernize it...whatever it takes to make it a living/working/playing space. Then send a final .jpg image, or series of images to us at info@archKIDecture.org, with your email address, first name only and age category. Send any other information that seems interesting or important too. We won't use that info for any other purpose besides the contest, we just want to get you to think green by reusing, recycling, designing and creating. We KNOW you have some new, great ideas out there. We want to see them and let others see them too!

Deadline: June 1, 2009 3pm. (We thought 3pm would be a good time, don't you?)

Any questions? Email us at info@archKIDecture.org
